Organic Bowl Construction Plan

Design Notes

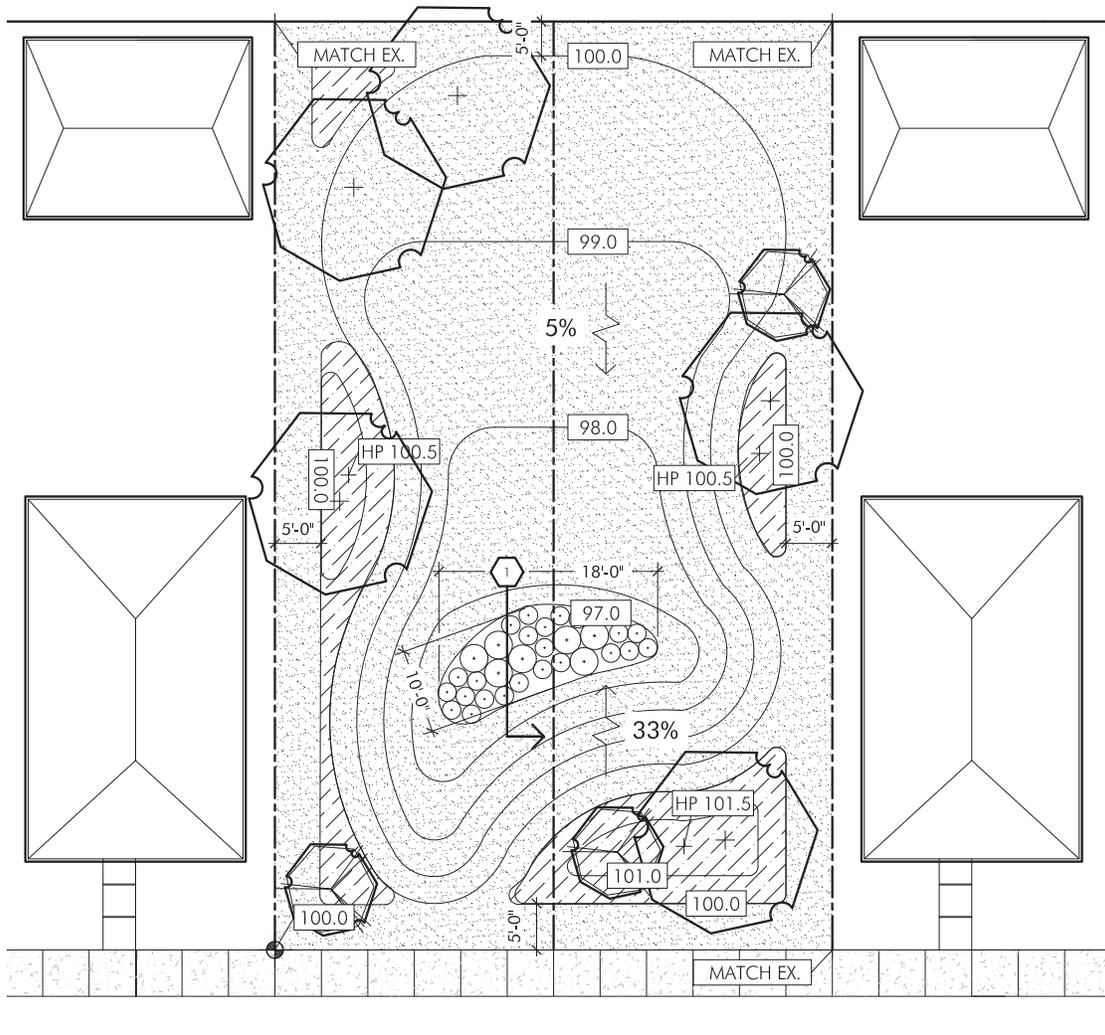

1.	It is the responsibility of the contractor to construct treatment in accordance with the published specifications of Detroit Future City Field Guide to Working with Lots. This information is available at www.DFC-lots.com
2.	Existing grade is assumed to be +100.0. Grades are relative and should be adjusted to work with the topography of the selected site.
3.	This lot design is intended for two 30' x 100' lots.
