# Urban Edge Construction Plan

## Design Notes

- 1.** It is the responsibility of the contractor to construct treatment in accordance with the published specifications of [Detroit Future City Field Guide to Working with Lots](#).  
  
This information is available at [www.DFC-lots.com](http://www.DFC-lots.com)

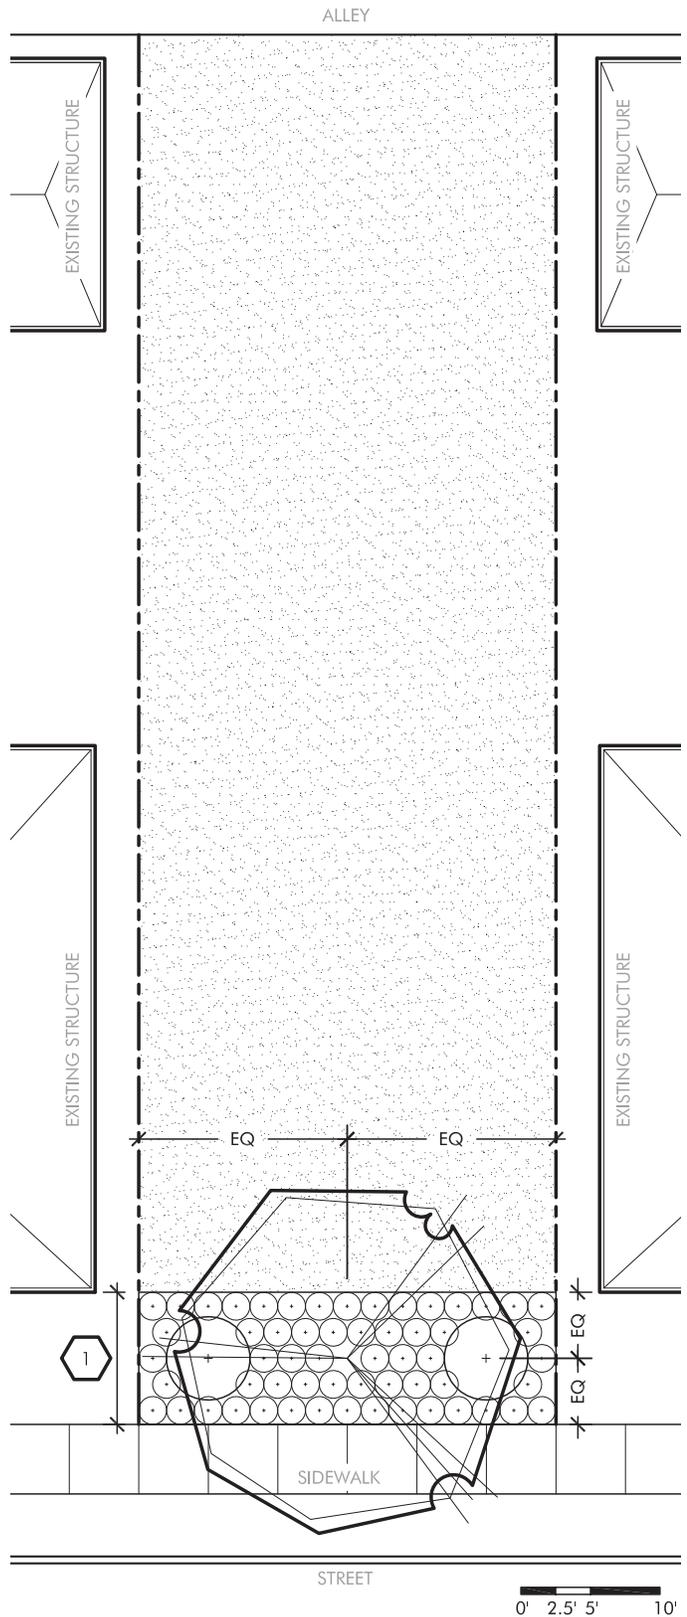

## Keyed Notes

Lot design intent is for back edge of plantings to align with face of adjacent structures. This design assumes building setback to be 9'-6". Field verify layout and adjust plant quantities as needed.
